

State-Wide MLS IDX Participation Form

This form permits State-Wide MLS offices to opt out of the IDX program. Firms belonging to the program are considered "IDX Participants" and are permitted to (a) include their firm's listings in the IDX Database at the option of the Seller. This listing data may be integrated into the web sites of other IDX Participants and be viewable by visitors of those sites; (b) post on web sites belonging to their firm or members of their firm listings included in the IDX Database. There is no cost to becoming an IDX Participant nor does it require further action other than the entry of your firm's listings into the IDX Database. Participation in the IDX program in no way affects the inclusion of a firm's listings in public-view sites operated or endorsed by the MLS (ex. *Rhode Island Living*) or the framing of those sites by other Members. Participation in the IDX program can be modified with the submittal of a revised Participation Form. Participation status of every firm will be listed respectively on statewidemls.com.

This form must be completed and signed by the Designated Realtor of an office. There are no exceptions.

Please fax (941-5320) or mail the completed form to State-Wide MLS, 100 Bignall Street, Warwick, RI 02888.
